Accounting Career Education (ACE)

TSCPA would like to thank all of the volunteers who helped out with TSCPA's Accounting Careers Education (ACE) program for the 2016-17 year. ACE volunteer members donated their time to travel to schools across the state and deliver presentations to students, host workshops and seminars for teachers and counselors, and provide speakers to university and college business and accounting programs. Thank you again for volunteering and promoting TSCPA and the CPA profession.

It's never too early to start preparing our ACE program for 2017-2018.

School solicitations will begin in the fall.

For more information about the program, contact Kari Owen (phone 800-428-0272 x 688 / 972-687-8688).
